EDITORIAL MESSAGE

Dear readers, we present to you Vol 13, Issue 1 of the Aegle Vista, 2013. This issue of the newsletter covering the period from January to June, offers a panoramic view of the academic, professional and cultural activities of the college. The most important event of this period was the change of guard. Dr. L.V.A.R. Sarma took over as the new principal of CVR College of Engineering from Dr. A. D Rajkumar, who is now the Dean (Academics).

As has been the tradition at CVRCE, CIENCIA 2K13, the technical fest of the college was organized with great fervor on the 8th and 9th March, 2013. A 5k run was organized and the proceeds of this event were given to organizations helping underprivileged children. Many students and faculty members participated in the run enthusiastically and it was covered by both the print and the electronic media extensively. The fest was promoted in a very interesting manner this year; by having a “Flash Mob”, comprising of students of CVRCE. This group performed at landmark malls of the city drawing attention to the impending fest in the college. The National level technical fest oversaw 56 events like Paper Presentations, Robotic Events, Gaming, Auto Expo, Short films, Photography contests, Contests in Innovative Computer Programming etc.

The 150th birth anniversary of Swami Vivekananda was celebrated with great enthusiasm in the college campus. In the two day program, students were enlightened about the life and teachings of Swamiji and various contests and competitions were conducted in the college.

6th April, 2013 witnessed the most awaited event of the college, “The Annual Day” combined with the “Traditional Day”. The college had a festive look with students wearing colorful traditional dresses. Awards were presented to the meritorious students for their exemplary performance in academics.

For enhancing knowledge and skills of the new recruits, the college conducted a Staff Development Programme this year as well. Fifty newly recruited faculty members participated in the program. The two week program saw guest lectures and workshops conducted by renowned Professors from O.U and EFLU. Trainers acquainted the participants with the new trends in teaching methodologies practiced in the real time work environment.

Renowned companies like Deloitte, SAP, NTT Data etc. conducted recruitment drives in the campus and selected many students to onboard this year. Many more companies are expected and the college believes that it will be able to place almost all the students from this batch.

The college is on an expansion drive and is adding to its infrastructure and facilities rapidly. It is poised on the threshold of becoming a premier institution for technical education in Hyderabad, an institution preferred by choice by the student community. The college owes its grand vision and its excellent accomplishments to Dr. C.V. Raghava, Chairman, CVRCE without whose relentless pursuit of perfection, the college would not be able to live up to its motto of being “**An Institute in Pursuit of Excellence**”.

The editorial team thanks all its patrons for their support of the newsletter. We welcome suggestions from all our readers who wish to see their ideas incorporated in the subsequent issues. Until then “Au Revoir”!!! And of course “**Happy Reading**”!!!

The only time success occurs before work is in the dictionary. Cameron Cashmore

ADDITIONAL INTAKE OF B. TECH SANCTIONED BY AICTE FOR THE ACADEMIC YEAR 2013 – 14

Based on the application submitted by the college, AICTE has sanctioned the following increased intake of B. Tech students from the academic year 2013 – 14.

B. Tech (CSE) increase from 180 to 240 students.

B.Tech (Mech) increase from 60 to 120 students.

B.Tech (Civil) increase from 60 to 120 students.

With this increase, B. Tech I Yr will have 17 sections with a strength of 1020 students from the academic year 2013-14.

AICTE SANCTIONS FACULTY DEVELOPMENT PROGRAMME

The AICTE has sanctioned a FDP of two weeks duration entitled 'Recent Trends in Automation and Control', with the financial assistance of Rs.4.5 lakhs to the EIE Department of the college. The coordinator of the workshop is Prof. A. D. Rajkumar, former Head of EIE Dept. and presently Dean, Academics. The programme is scheduled to be conducted from 11th November, 2013 to 22nd November, 2013. The number of participants is to be 50, drawn from across the state and the country.

PRINCIPAL'S PROFILE

Dr. L.V.A.R. Sarma, Retd. Professor of ECE and Director, School of Information Technology, J.N.T. University, Hyderabad has taken over as Principal, CVRCE on 21st January, 2013.

He obtained his Bachelor's and Masters in Engineering (ECE) from Regional Engineering College (presently NIT), Warangal. He secured 3rd Rank in the University for his B. Tech. He obtained his Doctorate from Indian Institute of Science, Bangalore in the area of Optical Signal Processing. His thesis entitled "**Studies in Diffraction Imaging with Emphasis on Sideband Fresnel Holograms and Their Applications**", received appreciation from the foreign examiners. He was Professor of ECE and Director, School of Information Technology, JNTU College of Engineering, Hyderabad. He was also associated with JNTU Kakinada, as Professor of ECE and JNTU, Ananthapur as an Associate Professor of ECE. He has held several responsible positions in his illustrious career. He was Convenor, EAMCET, A. P. consecutively for five years i.e. 2002-2006 and also for 2009. He was Convenor, District Information Officers Examination, A.P in 2002, Principal In-Charge, Fine Arts College, JNTU, Hyderabad, Convenor, PRITACET in 2006, Director, UGC, Academic Staff College, JNTU, Hyderabad from October 2007 to March 2008 and Dean, RGUKT from March 2008 to Jan 2009. He brought in various reforms in the conduct of examinations and infrastructural enhancements. He has also been a coordinator for various developmental projects. He has guided many undergraduate and post graduate theses. He has many research publications to his credit and also coordinated various employee training workshops. He was given the best teacher award 2003 by the government of Andhra Pradesh. He was member of the executive council, the highest decision making body of JNT University (undivided) from 2003-2007. His career exemplifies his able teaching and administrative skills.

The weak can never forgive. Forgiveness is the attribute of the strong. Mahatma Gandhi

MRS. R.V. B. CHARY'S BENEVOLENCE

Mrs. R.Kalavathi, wife of **Late Prof. R.V. B. Chary**, Professor of ECE, CVRCE has donated 27 rare collection of books pertaining to the subjects of Electronics and Computer Science to the CVRCE Library. These books will enlighten the students and further enrich the library resources.

CIENCIA 2013

CVRCE celebrated CIENCIA 2K13, a national level technical symposium on 8th and 9th March, 2013 with 56 events. It is one of the biggest technical fests which caters to knowledge explosion and provides a platform for budding engineers to explore their multifaceted talents. CIENCIA has metamorphosed and diversified into a magniloquent phenomenon. CIENCIA 2K13 had more than 1000 participants from various technical colleges throughout the country. The symposium involved competitions like paper presentations, Robotic events, Gaming, Auto Expo, Short films, Photography Contests, Contests in Innovative Computer Programming etc. The symposium encouraged learning outcomes workshop, Go Green Campaign and computer donations for under privileged school children and blood donation for the victims of Dilsukhnagar bomb blast.

The Chief Guest for Inaugural function of CIENCIA 2K13 was Sri. Ramesh Loganathan, Managing Director, Progress Software. The Chief Guest for the valedictory function was Sri. B. V. R. Mohan Reddy, Chairman and Managing Director, Info Tech Enterprises. He enlightened the students on the need for practice integrated learning outcomes and encouraged a holistic approach in education. He emphasized on industrial visits which will expose the students to real time environment and encouraged women empowerment.

ANNUAL DAY - 2013

Almost all educational institutions celebrate the Annual Day as a major event in their academic schedules. Institutions choose this opportunity to exhibit their talent pool and encourage their students to make meaningful contributions to the society and the nation. The peals of laughter, the tears of sorrow, the hard work, the appreciation and the criticism; the year long academic rigour and then, the final countdown begins for the most awaited day of the year- The Annual Day.

On 6th April, 2013 CVR College of Engineering celebrated its Annual day with grandeur and radiance. The major events of the academic year 2012-13 were showcased in a video which recapped all the events as they happened. The lighting of the lamp by the dignitaries on the dais marked the beginning of the program. The student coordinators began with giving an overview of the programs scheduled on the Annual day. **Dr. L.V.A.R. Sarma, Principal, CVR College of Engineering**, presented the Annual Report which summarized the achievements of the college and also reflected upon the vision, mission and objectives of the institution. **Dr. C. V. Raghava, Chairman, CVR College of Engineering**, expressed his immense pleasure and said that the institute has successfully been a center for excellence and it hopes to continue to walk the path of excellence in the years to come. Addressing the gathering, he said that to prove to be productive citizens, to serve the society in different walks of life, the students need to acquire latest knowledge through a rigorous academic process duly embedded with value education and skill orientation in their respective disciplines.

Chief Guest at the Annual Day

Arise, Awake and Stop not until the goal is reached. Swami Vivekananda

On this occasion, the Chief Guest, Dr. Y. Venkat Rami Reddy, Member of UPSC, reiterated the fact that the students of today are not inhibited as they have a vast exposure to the world around them. However, they need mentoring and proper direction to channelize their potential. While there should be focus on excellence in academics, one should also not forget that education does not mean mathematics or physics alone. Education means intellectual, emotional, cultural and social development of a person; a full fledged evolution of a well sculpted personality.

Felicitation and distribution of certificates of merit acknowledging the students of the college for their exemplary performance in different academic pursuits formed an important segment of the program. Trophies were also given for winners of Sporting and Cultural events.

The cultural pageant put up by the students was a platform for them to showcase their potential and creativity. The performances on the occasion included plays and skits, musical performances, dance on skates etc. The audience comprising students, faculty, staff, alumni, etc., enjoyed every item of the program with a great relish. Students were highly jubilant and appreciated the performances of their fellow students.

The day ended with a DJ night organized by the Management of CVRCE for the students. Rappers Sam and Sunny kept the students enthralled with their dazzling performance. The event was highly appreciated by everyone. On the whole, the program was a grand success and left the students asking for more.

CVRCE CELEBRATES THE 150TH BIRTHDAY OF SWAMI VIVEKANANDA

On the auspicious occasion of Swami Vivekananda's 150th birth anniversary the students of B. Tech III yr ECE, organized an event to help the under privileged. They raised funds from the college for the same. The students invited the founders of two Social Welfare Organizations: Aathmeeya Manasika Vikasa Kendram and Care4Autism. Speaking on the occasion, the founders of the two organizations inspired the students to take part in social welfare activities.

On Swami Vivekananda's birth anniversary, 12th January, 2013, the students donated essentials to two social welfare organizations from the fund raised by them. They provided Keerthana Foundation with hospital pillows, bed sheets, food items like bread packets and fruits based on their requirements. They donated school bags, footwear, diapers and other essentials to Freedom Foundation, which cares for children afflicted by AIDS.

The event was coordinated by A. Sandeep Kumar and B. RaviTeja of ECE III yr.

ERUDITION OF KNOWLEDGE

Publications in National / International Conferences / Journals:

- 1. Mr. M. C. Raju** Assoc. Prof. of ECE Dept. published a paper on **“Novel Encoding and Decoding Algorithm for Block Turbo Codes Over Rayleigh Fading Channel”**, in the International Journal of Computational Engineering Research (IJCER), Issue 3 in March, 2013.
- 2. Mr. L. Manjunath**, Assoc. Prof, Department of ECE published a paper on **“A Novel Approach For Increasing Channel Navigation in IPTV Based on Users Channel selection Interests”**, in the International Journal of Engineering Research and Applications (IJERA), Vol-3, Issue-3, May-June 2013.
- 3. Ms. V. Silpa Kesav**, Asst. Prof, Department of ECE published a paper on **“A Continuous-Time ADC and Digital Signal Processing System for Smart Dust and Wireless Sensor Applications”**, in the International Journal of Research in Engineering and Technology(IJRET), Vol-2, Issue-6, in June 2013.
- 4. Mr. B. Janardhana Rao**, Asst. Prof, Department of ECE published a paper on **“A Continuous-Time ADC and Digital Signal Processing System for Smart Dust and Wireless Sensor Applications”**, in the International Journal of Research in Engineering and Technology(IJRET), Vol-2, Issue-6, June 2013.
- 5. Ms. P. Kalyani**, Asst. Prof, Department of ECE published a paper on **“Low Power Design for CMOS Circuits”**, in the CVR Journal of Science and Technology, Vol-3, December, 2012.
- 6. Ms. V. Silpa Kesav**, Asst. Prof, Department of ECE published a paper on **“Design of an Op-Amp Based Low Voltage Low Dropout Regulator Using 180nm CMOS Technology”**, in the CVR Journal of Science and Technology, Vol-3, December, 2012.

Paper Presentation in National/ International Conferences:

1. **Mr. M. C. Raju** Assoc. Prof. of ECE Dept. presented a paper entitled “**Novel Encoding and Decoding Algorithm for Block Turbo Codes over Rayleigh Fading Channel**”, in the Conference organized at QIS College of Engineering and Technology, Ongole from 1st April - 3rd April, 2013.
2. **Wg. Cdr. Varghese Thattil**, Professor, Department of ECE presented a paper entitled “**Stochastic Modeling and Availability Estimation of Redundant Array of Independent Disks**”, at the second National Conference, Computer Networks & Information Security (NCCNIS – 2013) at Vasavi College of Engineering, Hyderabad on 30th and 31st January, 2013.

Participation in National/ International / Conferences / Seminars /Workshops:

1. **Mr. K. Bapayya**, Asst. Prof. of ECE Dept. attended a two day workshop on “**Mathematical Methods for Image Processing and Engineering Applications**”, at CBIT Hyderabad on 5th and 6th March, 2013.
2. **Mr. G. Ravi Shankar Reddy**, Assoc. Prof. of ECE Dept. attended a two day workshop on “**Mathematical Methods for Image Processing and Engineering Applications**”, at CBIT Hyderabad on 5th and 6th March, 2013.
3. **Mr. Karrar Hussain**, Assoc. Prof. of ECE Dept. attended a two day workshop on “**Mathematical Methods for Image Processing and Engineering Applications**”, at CBIT Hyderabad on 5th and 6th, 2013.
4. **Ms. Humaria Nishat**, Assoc. Prof. of ECE Dept. participated in a two day workshop on “**Simulation of Wireless Networks**”, organized by Dept. of ECE, JNTUH College of Engineering and Nihon Communications Pvt. Ltd. Bangalore on 15th and 16th April, 2013.
5. **Mr. Shakeel Ahmed**, Sr. Asst. Prof. of ECE Dept. participated in a two day workshop on “**Simulation of Wireless Networks**”, organized by Dept. of ECE, JNTUH College of Engineering and Nihon Communications Pvt. Ltd. Bangalore on 15th and 16th April, 2013.
6. **Wg. Cdr. Varghese Thattil**, Professor, Department of ECE participated in the VTU – International CANEUS Symposium on Aerospace and Energy Sectors (VICAS – 2013) on 19th and 20th April 2013.
7. **Mr. G. Ravi Shankar Reddy**, Assoc. Prof. of ECE Dept. participated in a three day workshop on “**Advanced Digital Signal Processing Algorithms**”, at VIT University, Vellore from 10th - 12th May, 2013.
8. **Mr. B. Janardhana Rao**, Asst. Prof. of ECE Dept. participated in a three day workshop on “**Advanced Digital Signal Processing Algorithms**”, at VIT University, Vellore from 10th to 12th May, 2013.

Faculty who Completed Pre Ph. D:

Ms. V.Silpa Kesav, Asst. Prof. of ECE Dept. completed her Pre Ph. D Exam from JNTU, Hyderabad, in May, 2013.

IETE Memberships:

- **Wg. Cdr. Varghese Thattil**, Professor of ECE has been conferred Fellowship of the IETE, New Delhi in February, 2013.
- **Dr. K. S. Nayanathara**, Professor and Head, Department of ECE has been elected as Member of Governing Council, IETE, New Delhi, for the term 2013-2016.
- **Dr. K. S. Nayanathara** has been nominated as Member, Board of Studies of ECE of G. Pulla Reddy Engineering College, Kurnool.

VISIT TO IIIT HYDERABAD FOR R&D SHOWCASE-2013

A visit to IIIT, Hyderabad for “R&D Showcase-2013”, for the faculty and students was arranged by the ECE Department of CVRCE. The event was held on 9th February, 2013 at IIIT Hyderabad. The main feature of this event was to exhibit the projects/working models built by the staff and students of IIIT, Hyderabad. The program included models in the emerging areas of Robotics, Signal Processing, Communication, VLSI and Embedded systems etc. This event was meant to be a motivation, encouraging the students to implement their innovative ideas in the college. It was also helpful for the faculty members in their different areas of research.

This event was attended by 75 students of III year ECE and IT and by Mr. B. Janardhana Rao, Mr. R. Prakash Kumar and Ms. A. Malleswari, Assistant Professors of the ECE Department.

TWO DAY WORKSHOP ON FULL CUSTOM DESIGN USING CADENCE TOOLS (8th – 9th March, 2013)

A two day workshop on “**Full Custom Design Using Cadence Tools**”, was conducted by the Department of ECE, CVR College of Engineering on 8th and 9th March, 2013. The main objective of this workshop was to train the students on using Cadence tools. The organizing committee was headed by Dr. A.D. Raj Kumar, Dean Academics. Ms. T. Esther Rani, Associate Professor in ECE department was the coordinator.

There were forty participants who attended the workshop. The inaugural function was held on 8th March, 2013 which was followed by lectures and practical sessions. In this workshop the importance of VLSI was discussed. In addition to this, various cadence tools were introduced. Students who came from various engineering colleges of the state were provided hands on practice on the usage of these tools. Ms. G. Mamatha, Mr. Karar Hussain, Ms. T. Esther Rani, Associate Professors and Mr. R. Ganesh, Asst. Prof from the ECE Department, delivered lectures. Ms. Durga Bhavani helped with the practical sessions.

The Participants at the Workshop

A contest was conducted on designing a full custom chip for ‘Car Security System’, using cadence tools in which students participated with enthusiasm. The valedictory function was celebrated on 9th March, 2013 in which prizes and participation certificates were distributed. It was a successful event and the participants gained a lot of practical knowledge on the subject.

We cannot all do great things, but we can do small things with great love. Mother Teresa

**FOUR DAY WORK SHOP ON
LINUX SYSTEM PROGRAMMING
(23rd, 24th, 30th March & 6th April 2013)**

A workshop on Linux System Programming was organized in association with the Student Chapter of IEEE of CVR College of Engineering on 23rd March, 24th March, 30th March and 6th April, 2013. The objective of this workshop was to gain familiarity with the practical aspects of Linux Programming. The Organizing Committee was headed by Dr. N. V. Rao, Professor of CSE Dept. and Dr. Bipin Bihari Jayasingh Professor of IT Dept. The event was coordinated by Prof. C. V. Rao of the ECE Dept.

The lectures were delivered by the senior faculty from the CSE and the IT Dept. Some of the topics covered in the workshop were “Introduction to Linux Environment and VI Editor, Static and Dynamic Libraries and Make Utility, Boot Process of Linux and Introduction to Creating a Process in Linux.” On the last day of the workshop, lectures on “Multi Threading in Linux and Introduction to Kernel Programming and Device Drivers”, were covered. About 94 students from CVR College of Engineering and other colleges participated in this four day event. Prof L.C. Siva Reddy, HOD, CSE Dept. delivered the keynote lecture and emphasized on the importance of the various topics to be covered in the four day workshop.

**SIX DAY WORKSHOP ON
ASIC PHYSICAL DESIGN USING CADENCE TOOLS
(February-March 2013)**

A Six day Workshop on ASIC Physical Design was conducted in February and March on weekends by the ECE Dept. in VLSI Design Centre in association with the Student Chapter of IEEE of CVR College of Engineering. The workshop was coordinated by Prof C. V. Rao, organized by Ms. G. Mamatha, Assoc. Prof and Mr. R. Ganesh, Sr. Asst. Prof, all from the ECE Dept. 39 students from various colleges participated in the workshop, many of whom were students of M. Tech (VLSI). Theory and Practical classes were held by Mr. Praveen and his associates from Shastra Micro Systems, Hyderabad.

The following topics were covered during the theory and practical sessions.

1. Design Flow.
2. Floor Planning and Placement.
3. Timing Analysis.
4. Clock Tree Synthesis.
5. Rooting and Parasitic Extraction.
6. Timing and Logic DRC Issues, Fixing.

**WORKSHOP ON
EMBEDDED LINUX DEVICE DRIVERS
(31st March, 2013)**

A workshop on Embedded Linux Device Drivers was conducted on the 31st March, 2013 by the ECE Dept. The objective of the workshop was to enhance knowledge of Embedded Linux Device Drivers. The workshop was organized by the Student Chapter IEEE and the Department of ECE, CVR College of Engineering at IETE Hall, in the Osmania University Campus. The event was coordinated by Prof. C. V. Rao of ECE Dept. It was organized by Dr. N. V. Rao, Professor of CSE Dept and Dr. Bipin Bihari Jayasingh, Professor of IT Dept.

Dignitaries on the Dias

About 170 students from more than 15 colleges participated in the workshop. The lectures in the workshop were delivered by Engineers from CISCO, Bengaluru and Intergraph, Hyderabad. The workshop covered topics like Introduction to the LINUX Internals, User and **Kernel** Space, Linux Device Drivers, Basics of Block Drivers and Network Drivers". The workshop concluded with the distribution of participation certificates by the Principal of CVRCE, Dr. L.V.A.R. Sarma.

Rapt Audience at the Workshop

Grant of Funds under MODROBS Scheme:

The department has received a grant of Rs.10.8 lakhs towards modernization of the Communications lab under MODROBS from the AICTE. The Chief Co-coordinator of the project is Dr. K S. Nayanathara. The support team includes Ms. Humaira Nishat, Mr. Shakeel Ahmed, Ms. A. Bharathi, Ms. P. Kavitha and Mr. B. Ravinder.

Participation in National / International / Conferences / Seminars / Workshops:

1. **Mr. G. Manohar**, Assoc. Prof of EEE Dept. attended the IEEE International Conference ICARET-2013 on “**Analysis of Doubly Fed Induction Generator Connected to Grid**”, organized by KL University on 8th and 9th February, 2013.
2. **Mr. G. Manohar**, Assoc. Prof of EEE Dept. attended a workshop on “**National Programme on Technology Enhanced Learning**”, organised by IIT Madras on 16th February, 2013.
3. **Mr. P. Nagaraju Mandadi**, Assoc. Prof of EEE Dept. attended a National Conference on “**Innovations in IT & Engineering (IITE2013) for Voltage Compensation in Power Transmission System using Static VAR Compensator**”, organized by Dept of Computer Science, Sri Venkateswara University, Tirupati, from 20th - 22nd April, 2013.
4. **Mr. G. Manohar**, Assoc. Prof of EEE Dept. attended a National Conference on “**Fault Analysis of Doubly Fed Induction Generator Connected to Grid**”, organized by Dept of Computer Science, Sri Venkateswara University, Tirupati from 20th - 22nd April, 2013.

Guest Lectures:

1. The EEE Dept. conducted a Guest Lecture on “**Energy and Environmental Problems Facing the Third World and Solutions**”, by Dr. D. P. Kothari, Retd. Professor, IIT Delhi, Ex. V. C. VIT, Vellore under the **ISTE Students Chapter**, on 6th March, 2013.
2. The EEE Dept. conducted a Guest Lecture on “**Recent Advances in Power Systems**”, by Professor K. B. Raju, Ex. AGM BHEL R & D, under the **ISTE Students Chapter**, on 5th March, 2013.

Faculty who Completed Pre Ph. D:

Mr. Narasimha Swamy, Assoc. Professor of EEE Dept. cleared the Pre Ph. Examination, from JNTU, Hyderabad, in May, 2013.

Faculty who were awarded Ph. D:

Mr. P. Nagaraju Mandadi, Assoc. Prof of EEE Dept. was awarded the Ph. D Degree by JNTU, Hyderabad in April, 2013.

CVRCE BAGS PROJECTS FROM DRDO

CVR College of Engineering has received three development orders from DRDO. These are cutting edge technology projects based on field programmable gate arrays (FPGA). The projects are:

1. *Orthogonal Frequency Division Multiplexing (OFDM)*: This is used for high speed radio communication with state of art modulation techniques. The technical evaluation at the lab has been completed and stage wise payment has been released. It is getting ready for the field trial very soon.
2. *The Data Acquisition System on FPGA*: This deals with large number of analog and digital communication links. This project has also gone through successful lab trials and field trials will be conducted after production of the peripheral hardware.
3. *Modular DAS Software on APGA*: This deals with DAS engine and operator interface for acquisition and inspection of the real time signals in the process.

Good humor is one of the best articles of dress one can wear in society. William Thackeray

The funding of the projects mentioned above is around 27 lakhs, sanctioned by DRDO. After these successful developments, two more projects namely Multi Carrier CDMA (MCCDMA) for high speed radio communication and Doppler Frequency based Inter Carrier Interface Cancellation (ICI) will be given to CVRCE.

CVRCE is pursuing another project from BDL on Image Processing of a target for simulation and training for the Air Defence Personnel. The proposal has gone to the airforce from BDL for their approval. The cost of the project will be around 45 lakhs.

Ph. D guidance by Dr. M. S. Bhat, Prof and Head EIE :

1. **Dr. M. S. Bhat** was the **co-supervisor** of the Ph. D thesis entitled, “**The Determinants of Forward Premia in Indian foreign Exchange Market**”, submitted to JNTUH by scholar Maram Srikanth. The final viva was conducted at JNTU-Hyderabad for the award of Ph. D on 11th February, 2013.
2. **Dr. M. S. Bhat** was the **co-supervisor** and **Internal Examiner** of the Ph.D. thesis entitled “**Empirical Study of the Performance and Issues in G2C Projects in Indian Scenario**”, submitted to JNTUH by scholar Piyush Gupta. The final viva was conducted at JNTU-Hyderabad, on 29th May, 2013.

IETE Memberships :

Prof. S. Narayana, Professor of EIE Department, who has earlier served as President of the Institution of Electronics and Telecommunication Engineers (2006-2008), headquartered at New Delhi, was elected with overwhelming votes as Distinguished Fellow of IETE in April 2013. At present, there are just about 40 Distinguished Fellows of IETE in the entire country. The honour of Distinguished Fellow of IETE is bestowed upon those who have made extraordinary contributions to the cause of Electronics and Telecommunication at the National level. After being elected as Distinguished Fellow by collegiums consisting of all living Distinguished Fellows of IETE and Governing Council Members of IETE, Prof. S. Narayana has now moved to the rarefied and exclusive club of very eminent electronic engineers in the country.

Students Achievement :

Ms. P. Sai Lakshmi Sri Vani was awarded the first prize in the **Sitapathi Rao Endowment Awards 2012** contest, conducted by The Instrument Society of India – Hyderabad Chapter in March, 2013. She won the contest with a score of 86.25%.

LEARNING OUTCOMES ONE DAY WORKSHOP (16th March, 2013)

The Mechanical Engineering department conducted a one day workshop on **Learning Outcomes** on 16th March 2013. A total of 112 delegates from different colleges (Teaching staff and students) participated in this workshop. The aim of the workshop was to create awareness of the learning methodologies and outcomes among the staff and the students.

The National Board of Accreditation has indicated certain outcomes that are expected to be attained by graduating students by the end of the 4 year degree programme. These outcomes have been derived from the NBA – Washington Accord.

Dr. P.G. Sastry delivered a key note address on Employability skills for engineering graduates. Prof. T. A. Janardhan Reddy, HOD, Mech. Engineering, presented a talk on the concepts of Problem Based Learning and the Team Project Lab, which has been introduced in the curriculum of B. Tech Mechanical Engineering in the 3rd Year II semester. This lab is first of its kind and unique in its nature. It is meant to monitor the learning outcomes of the students based on the NBA-Washington Accord. Prof. S. Uday Kumar, Principal, Geethanjali College of Engineering and Technology, gave a lecture on “Outcome Based Accreditation and Continuous Improvement”.

Participation certificates were distributed by Prof. L.V.A.R. Sharma, Principal, Prof. T.A. Janardhan Reddy, HOD, Mech. Engineering and T. Balaji Gupta, Associate Professor, Mechanical Department.

STAFF DEVELOPMENT PROGRAMME IN ENGLISH AND COMMUNICATION SKILLS

(10th June to 22nd June, 2013)

CVR College of Engineering conducted a ten day Staff Development Workshop on “English and Communication Skills”, for its newly recruited faculty from the 10th June - 22nd June 2013. The objective of the workshop was to expose the Non-English Teaching Faculty to Communication Skills as a whole and the nuances of the English Language in specific. The Chief Coordinator for the workshop was Ms. Vanitha Singireddy, Asst. Professor in English and Incharge, English Department, CVRCE. The workshop was coordinated by Ms. Kalavati Mallaiah, Asst. Professor in English, CVRCE. It covered a wide variety of modules that go to make up the sub skills that constitute Communication and English Learning.

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence. Helen Keller

The first week of workshop began with Ms. Kalavati Mallaiah navigating the participants through the ten day programme schedule. She also made a presentation on “Introduction to Communication Skills and its Need in the Global Scenario”. She was followed by Ms. Vanitha Singireddy, who conducted an ice-breaking session for the participants after which she took them through a presentation on “Importance of Non-Verbal Communication”. Mr. Nagaraju, Trainer and Retd Faculty, Govt Degree College, Gajwel, conducted three workshops on “SWOT Analysis for College Teachers”, “Enriching Vocabulary” and “Presentation Skills”, for the participants.

The second week began with a session by Prof. Mohan Raj, Dept of English, EFLU, who delivered a presentation on “Communication Skills for Effective Teaching”. He was followed by Ms. K. Bhanu Rekha, Asst. Professor in English, CVRCE, who focused on the importance of “Task Based Teaching”. Prof. Annie Pothen, Retd. Professor of English, OU, enlightened the participants on “Soft Skills for Effective Classroom Teaching”. She was followed by Mr. Umesh Kumar Singh, Asst. Professor in English, CVRCE, who facilitated a workshop on key aspects and importance of “Goal Setting”. The next session was conducted by Ms. Kalavati Mallaiah on “Letter Writing” and “Stress Management”. Ms. Vanitha Singireddy took over for the session on “Common Errors in English”. Dr. Komali Prakash, Assoc. Professor, EFLU, took the participants through a workshop on “Accent Neutralization” and highlighted the common errors of pronunciation. The last session was carried out by Ms. Vanitha Singireddy, Ms. Bhanu Rekha and Ms. Prajwala Jyothi on reflection activities where the participants were asked to recapitulate their learning from this programme through presentations and also through various language games.

The workshop gave the participants lot of opportunities to test their learning and enhance their English Language Skills. During the course of the workshop, the participants were given a Grammar book and a Dictionary to supplement their learning in the workshop. The Valedictory was presided over by the Vice-Principal, Prof. Siva Reddy who gave away the certificates and the awards to the individual winners and the winners of the Group events.

The following newly recruited faculty members participated in the Staff Development Programme.

ACCOLADES SHOWER ON ALUMNI OF CVRCE

Arghya Basu, an alumni of CVRCE, batch of 2008, is the co-founder of the company '**Core Diagnostics**', in which he presently holds the position of the **Director**.

US-based Artiman Ventures, a \$750-million company has invested Rs. 27 crore (\$5 million) in a Gurgaon-based healthcare startup 'Core Diagnostics' led by Arghya. Artiman plans to inject additional capital needed in the firm, in the next few years. This is a first-of-its kind investment, where a venture capital firm has invested in a business model conceptualized and executed by entrepreneurs Zoya Brar, and Arghya Basu.

Mr. Basu finished his Engineering in Computer Science from CVR College of Engineering, Hyderabad. He holds an MBA degree from T.A. Pai Management Institute. Arghya comes with varied experience, having worked in FMCG and IT sector companies like Wipro Consumer Care, Sify and Google. Ms. Brar and Arghya drew up a business plan which would provide high-end diagnostic test services and presented it to Artiman Ventures. They travelled to places like Ludhiana, Jaipur, Chandigarh, Kanpur, Jalandhar, Hyderabad, Bangalore, Pune and Mumbai to identify the gaps in high-end diagnostic market and build their network.
