EDITORIAL MESSAGE

Dear Readers,

This is Aegle Vista welcoming you to its Issue no 14, Volume 2.This edition will put on show the activities and accomplishments of the college from July to December, 2014. This part of the year is usually one of varied activities; with semesters drawing to an end for some and beginning for others. The atmosphere in the campus reflected the solemnity of examinations that were being conducted, as much as it did the conduct of Orientation Programmes and the Freshers' Party for the first year students.

The college celebrated Graduation Day in the month of July. This is an important event in the academic schedule of the college, conducted with great fanfare. Students and their performances are recognized and awarded on this day. The college bid them a fond goodbye from its portals and launched them into higher endeavors of life, be it higher education or placements in reputed companies.

The new batch of students of B. Tech first year joined the college in September. An Orientation Programme was held in the same month for them. Students were formally introduced to the college facilities and the faculty. They were informed of the rules and regulations of the college and the schedules they needed to adhere to, in the pursuit of their goals. The Heads of the Departments urged them to excel in their academics, achieve their goals and carve out successful careers for themselves in life.

The Freshers' Day arrived with great pomp and pageantry. The day brought in great joy and enthusiasm for both the freshers and the seniors. The fresh batch of students brought new zeal and expectation into the campus. Their arrival every year motivates the college to provide the best of its resources to them, in the form of infrastructure and faculty. The infrastructure is constantly being enhanced, to meet the demands in the field of technology.

The placements this year have been extremely good thus far. The college has been able to find placements for a large number of its students already. Several reputed companies visited the college and many students have been successfully selected to work for them. Many other companies are expected to visit the campus for placements. The college is sure it will be able to place many more students by the end of the academic year. The Chairman's emphasis on employability skills has yielded good results in that the placements have been commendable through the years.

All these endeavours that the college boasts of are overseen by our Chairman, Dr. C. V. Raghava, under whose able leadership and due to whose relentless insistence on consistency and commitment, the Institution is scaling new heights.

The editorial team solicits your valuable suggestions for its improvement and wishes everyone a successful year.

Happy New Year and Happy Reading !

DR. K.S. NAYANATHARA TAKES OVER AS PRINCIPAL

Dr. K. S. Nayanathara took over as the Principal, CVR College of Engineering from Prof. A. D. Rajkumar on 24th October, 2014. CVRCE takes great pleasure in ushering in Dr. Nayanathara to her new office.

GRADUATION DAY

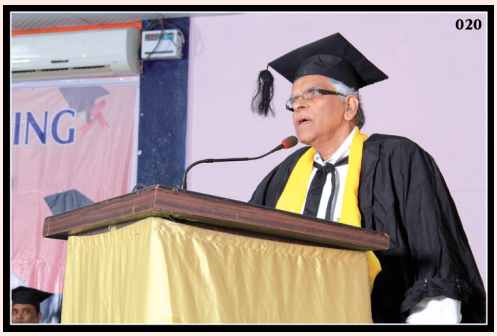
CVR College of Engineering celebrated its fourth Graduation Day on 12th July, 2014 with grandeur amidst dignitaries, staff, graduates and their parents. The event was presided over by the Principal, Dr.A.D. Rajkumar. Prof. Krishna Vedula, Dean Emeritus, University of Massachusetts was the Chief Guest. Dr. Raghava Cherabuddi, Chairman, CVRCE, Dr. K. Rama Sastri, Director, senior Professors, faculty members, parents and a large gathering of students participated in this grand ceremony.

Erudite Professors of CVRCE

The Chairman, Dr. Raghava Cherabuddi's vision "In Pursuit of Excellence" enabled CVR College of Engineering to create a benchmark in the field of technical education. The event began with the welcome address by the Director, Dr. K. Rama Sastri. Dr. A. D. Rajkumar, Principal, CVRCE, presented the achievements of the outgoing batch. He drew attention to the large number of placements that had been achieved this year.

On the Way to the Auditorium

The Chief Guest in his address to the students reiterated the importance of gaining hands on knowledge while still studying. He urged the students to take up projects in their vacations and always look for means to improve their understanding of the latest developments in their chosen areas of study. He further informed the students, that there were a plethora of opportunities available in the global market and that the students were to prepare themselves to accept the challenges head on. He said that the future of engineering now lies in the upcoming fields of infrastructure, energy and communications and the students must make the best use of the jobs that were now being offered by these sectors to chalk out a bright career for themselves.



Prof. Krishna Vedula Addressing the Students

The Chief Guest, Prof. Krishna Vedula, honored the Toppers and the meritorious performers of the various branches of Engineering with Gold Medals, Cash Awards and Mementos. Heads of the various Departments distributed Graduation Certificates to their respective students. Ms. Palla Sindhuja of the Department of ECE was awarded the Gold Medal for her overall performance while Mr. Vamshi Krishna Kuruva and Mr. Venkat Reddy Bobbili from the Department of Mechanical Engineering were jointly awarded the prize for the best project.

The Chairman with Prof. Krishna Vedula

The Management of CVR College of Engineering felicitated Prof. Krishna Vedula. The vote of thanks was proposed by the Vice Principal, Prof. L.C.Siva Reddy. Professors, faculty and student volunteers from all departments actively participated in this ceremony.

The event ended on a happy note. Photographs were taken of each class. This was followed by lunch. The day came to an end with everyone present, re living the most happy moments of the day.

Those who cannot work with their hearts achieve but a hollow, half-hearted success that breeds bitterness all around. APJ abdul Kalam

ORIENTATION PROGRAMME

Student Orientation Programme is a platform in which freshers who join an educational institution are officially welcomed onto the campus. They are provided information about the Institution they have enrolled into. They are co opted into the vision and the aims the Institution has set up for itself. The programme offers an overview of the structure of the course, the resources and the facilities the campus provides them. Faculty members introduce themselves to the students and parents on this occasion.

Director Dr. K. Rama Sastri at the Event

CVR College of Engineering organized a two day Orientation Programme for its 14th batch of B. Tech first year students. The programme was conducted on 10th September, 2014 for CSE, IT, Civil and Mechanical branches of Engineering and on 11th September, 2014 for ECE, EEE, EIE branches at the college auditorium. The Chairman of the college, Dr. C. V. Raghava, along with the Director, Dr. K. Rama Sastri, Principal, Dr. A. D. Rajkumar and all the Heads of the Departments participated in the programme. The Orientation Programme was also attended by the Professors, the faculty and the non teaching staff of the college.

Late Prof.A.D. Rajkumar Addressing the Freshers

Prof. Narasimha Charyulu, Head, Department of H & S, In Charge, B. Tech I year, took the students and parents through the course and examination schedules, rules for attendance, other rules and regulations of the college and hostel facilities for boys and girls, etc. He also gave an insight into the subjects offered in the first year. Professors and senior faculty were introduced to the gathering.

Gathering of the Freshers and the Parents

On the last day of the Orientation Programme, the senior faculty wished the new entrants a successful stint in CVR College of Engineering, while they went about getting their B. Tech degrees.

FRESHERS' DAY

'A hundred new faces but a million dreams.'

Enthralling performances, beautiful voices, and people wearing bright smiles. CVRCE was jubilant on its Freshers Day on 1st November, 2014. The day will be remembered for a life time as a day when all the students screamed till their throats ached, and grooved and jived together.

Foot Tapping Dances

They were not just a hundred new faces beaming with smiles; they were a million dreams looking forward to a great start to their lives. Walking into a vast uncharted ocean of knowledge is a tad bit scary and anxiety is just round the corner. Freshers'

Success is walking from failure to failure with no loss of enthusiasm. Winston Churchill

Day helps the students allay this fear. It helps the students to build a great rapport with each other. This celebration helps the students to become comfortable in a new surrounding and makes them feel they belong, even if they are the latest entrants to the campus.

Fascinating Solo Acts

There were many performances and events organized by the seniors. A few of the events were J.A.M, Essay Writing, Antakshari, Picturesque, Mind Mapping, etc. Ingenious skits, mesmerizing song performances, and many more acts, made the day a huge fun filled party. New students got a chance to showcase their talents. Mr. and Ms. Fresher were chosen by the judges. The title of Mr. And Ms. Fresher of CVRCE for the year 2014-15, was given to Mr. K.S.S. Shashank from ECE and Ms. A. Sahasra from the IT department.

The Mr & Ms CVR Contest

The Chairman of CVRCE Dr. C.V. Raghava spoke about the next four years and enlightened everyone about the importance of education and its role in one's life. The day ended with a vote of thanks, and the seniors were applauded for organizing a grand event. The juniors lived up to their expectations, made everyone tap their feet to music, and set the standards up, real high. Enthusiasm of the crowd made the show even more fascinating, making the day one to cherish all one's life.

CONFERENCE ON DISTINGUISHED LECTURES FOR INITIATION OF RESEARCH ACTIVITIES

A two day workshop on "Distinguished Lectures for Initiation of Research Activities," was held on 7th & 8th October, 2014. It was organized by the Department of Electronics and Communication Engineering. It was open to faculty from all departments. It was divided into sessions of lectures on recent trends in research funding. The research opportunities talked about were in the field of Advances in DIP, Smart Antennas, Navigational Electronics, Functional MRI Applications, and Image Processing in Remote Sensing, Speech Processing, Digital Signal Processing and Communications. Eminent professionals and scientists from DRDO, OU. IIIT, etc were invited to deliver lectures at the event.

TRAINING PROGRAMME ON CADENCE TOOLS - INSTALLATION AND PRACTICE

A three day training programme on Cadence Tools - Installation and Practice was conducted by the Centre for VLSI Design of the Department of ECE, in association with Cadence University Program trainers, Bengaluru from 10th-12thNovember, 2014. The programme was open to all faculty members across various departments. The main objective of the programme was to train the faculty on cadence tools, in installation and for the effective utilization of Cadence Tools for under graduate, graduate projects and research work.

The trainer from Cadence, Bengaluru was the resource person for the course. He installed the Cadence tools in the computer systems and demonstrated the tool flow of different digital and analog tools of Cadence to the participants. A total of 31 members (24 faculty and 7 Academic Assistants) participated in this training. The Principal and the Head of the Department delivered an inspirational and motivational speech in the inaugural function and distributed certificates to the participants at the end of the programme.

The following faculty members participated in the programme.

A SOCIAL INITIATIVE BY TECHIES OF CVRCE TO IMPART TECHNICAL KNOW-HOW TO UNDERPRIVILEGED STUDENTS

In today's dynamic environment, knowledge of technology and the ability to use it often proves to be a differentiator with a profound impact on the employability of an individual. In the recent past, there has been a lot of focus on imparting knowledge of computers to children. The government of Telengana funded the Mandal and village schools to acquire computers. This was done within a larger framework, to equip the students to meet the demands of the environment head on. Unfortunately, the transfer of knowledge to the students studying in these schools leaves a lot to be desired.

Lecture on Computer Basics

The Hindu published an article on 24th March, 2014 titled "Government school students are digital have-nots here; Computers are dumped in a corner, with no repairs or instructors". This article brought out the pitiable state of thousands of students in government-managed schools. Even though the State Govt funded procurement of computers at the Mandal and village schools, there were no instructors to teach the students and hardware was of no use. So these computers remained mere show pieces at these institutions.

Presentation on Computers

The article inspired the students of CVR College of Engineering and they took it upon themselves to mend this pitiable situation as best as they could. As a pilot project, the students of CVR identified the ZPH School of Sheriguda, Ibrahimpatnam where they took it upon themselves to service a few of their systems and to educate the students on the use of computers, once a week. They conducted classes for the students of 6th, 7th and 8th standards so that they became familiar with computers and the use of Microsoft Office and other application softwares. They also helped the school management to maintain their computers lab. The computer classes were conducted after the regular college and school hours of CVR and ZPHS respectively. The school students were found to be highly motivated, enthusiastic and eager about the classes.

Mr. B. Srinivas, the Head-Master (Gazette officer rank) of the nearby ZPHS, was very appreciative of this initiative. The project has also been a source of immense satisfaction to the students of CVRCE. Prof. Varghese Thattil was the guiding force behind this endeavor.

Students who participated in this initiative were:

1. Nitin Kumar Nagamalla (2014 passed out 10B81A0449)
2. Gagan Sai Musinipally (2014 passed out 10B81A0422)
3. Abhilash Kumbala (12B81A0404)
4. Akhilesh Swaroop Joshi (12B81A0411)
5. Arvind Beerelli (12B81A1006)
6. Seema Munawara (12B81A04G6)

Three-Day Faculty Development Programme on Recent Trends in Power Electronics & Power Systems

The department of EEE conducted a three day faculty development programme, for its faculty members on "Recent Trends in Power Electronics & Power Systems," from 3rd - 5th December, 2014. The objective of the workshop was to expose various advances and current techniques used in the field of Electrical Engineering. The workshop was coordinated by Ms. R.Naveena Bhargavi, and Mr. B.Kalyan Chakravarthy, Associate Professors of Department of EEE.

The workshop covered a wide variety of topics like Micro Grid, Multi Level Inverters, Direct Torque Control, etc. On the first day, Dr. Jaya Laxmi, Professor from JNTUH introduced various tool boxes of "MATLAB" and all the participants had hands-on experience in the lab. In the afternoon Dr. Sateesh Kumar, Asst. Professor of Department of EEE, OU delivered various "SVPWM Techniques" and in the last session Dr. Shiva Kumar rendered an enlightening lecture on "Micro Grid".

On the second day, Dr. V.T. Somasekhar from NIT, Warangal conducted two sessions on the latest advances in "Multi Level Inverters and their Application for Open End Winding Induction Motor Drives". In the afternoon session, Dr. Srinivas, Asst. Professor, EEE Dept, OU delivered a lecture on "Control Techniques for SRM Drive".

On the third day, Dr. Brahmananda Reddy, Head, Department of EEE of G.Pulla Reddy Engineering College, Kurnool, delivered two lectures on "Advanced PWM Techniques and Direct Torque Control". In the afternoon session, Dr. J.Praveen, Head, Department of EEE of Gokaraju Rangaraju Institute of Engineering and Technology delivered a lecture on "Power Quality Improvement through Custom Power Devices".

The workshop gave the participants lots of information and new ideas in their field of research. After the course, the participants were provided with the soft copy of the entire course material. The valedictory function was presided over by Dr. S.Venkateshwarlu, Head, Department of EEE, and Dr. N.N.V. Surendra Babu, Professor, EEE, who were the continuous support for the initiation and for the conduct of workshop. The event was a grand explosion of ideas and perspectives on various topics of Power Electronics and Power Systems and it proved very beneficial to all those who participated in it.

Guest Lectures Organized:

1. A guest lecture was conducted on the topic **"Into the Future,"** for II & III Yr students by Mr. K.Phani Vasista, M.S from Boston University in August, 2014.
2. A guest lecture was conducted on the topic **"Role of STATCOM in Power systems,"** by Mr.S.Eswar Rao, Sr. Manager BHEL R&D on Faraday's birthday in September, 2014.

Industrial Visits

1. III Yr EEE- A students visited Mamidipally 400KV substation on 11th September, 2014. Ms. R.Naveena Bhargavi, Ms. E. Himabindu and Mr. Ch. Raviteja accompanied the students to the visit.
2. III Yr EEE- B and IV Yr EEE-A students visited CPRI, Uppal, Hyderabad on 12th September, 2014. Ms. R.Naveena Bhargavi, Ms. E.Himabindu, Mr. Sreenath Reddy and Mr. Ch. Raviteja accompanied the students to the visit.
3. II Yr EEE A and B students visited BHEL, Hyderabad on 31st October, 2014. Ms. G. Sreelakshmi, Mr. G. Manohar, Mr. Ch. Lokeshwar Reddy, Ms. P. Sudeepika, Ms. T. Keerthika and Mr. G. Karthik accompanied the students to the visit.

ELECTROCRUISE EVENTS

The Department of EEE celebrated the birthday of eminent scientist Michael Faraday on 22nd September, 2014**.** He is the pioneer of the modern power generators and electric motors. The event was organized by the technical association **"Electro Cruise".** This program was overseen by Mr. P. Vinodh Kumar and Ms. E. Hima Bindu, Asst. Professors in the department .On the eve of this celebration the department conducted various events like inspiring lectures, guest lectures for students of III & IV year, Technical Quiz and Brain Teasers. An inspiring lecture was given by **M. Gopala Krishna, Former Secretary to the Govt. of India & CMD of Rural Electrification Corporation.** The expert lecture was delivered by **S. Eshwar Rao, Sr. Manager, PES Divison, BHEL (R&D)** on the **"Role of STATCOM in Power Systems."** Technical Quiz was conducted by Ms. K. Deepika, Asst. Professor**.** The Brain Teasers were conducted by Asst. Professors Mr. Ch. RaviTeja and Mr. K. SravanKumar. As part of this programme the students displayed hardware projects and poster presentations.

HELPING HEARTS

B. Tech II year students organized a programme named 'Helping Hearts' and collected an amount of Rs 50,000/- which was handed over to the Chief Minister of A.P. Honorable Mr. N. Chandrababu Naidu. This event was organized on 21st October, 2014 to help the victims of HUD HUD cyclone.

THREE DAY ENTREPRENEURSHIP AWARENESS CAMP

"The Entrepreneurship Awareness Camp" was conducted for three days from 4th- 6th September, 2014 in collaboration with Entrepreneurship Development Cell (EDC) of the Osmania University. Students of B.Tech third and final year, from all the branches of engineering attended the camp.

Mr. Sreedhar Reddy, President, Telangana Industries Federation was the Chief Guest and Dr. S. Satyanarayana, Former Principal Director, CITD was the Guest of Honor. Eight resource persons from various organizations including APITCO, IPO, APSFC, DIC, Banking Sector, Law and OU delivered lectures on wide array of topics dealing with setting up of an enterprise. The Best Business Idea Competition on presenting feasible business ideas (Enterprise Promotion-written proposal) was conducted and three best ideas in this competition were awarded. A poster presentation on the theme of Entrepreneurship was held for the students, and first prize was awarded.

Inauguration of Entrepreneurship Awareness Camp

Participation certificates were distributed by Prof. B. Krishna Reddy, Prof. T.A. Janardhan Reddy, Head of the Department of Mechanical Engineering and Director, EDC of CVRCE, Mr. M. Chandra Prakash, EDP Manager, APSFC and Mr. Ashok, Coordinator, EDC, OU. The event was interactive and informative for the participants.

SAEINDIA CVR COLLEGIATE CLUB

With 55 student members the Department of Mechanical Engineering started the SAEINDIA CVR COLLEGIATE CLUB on the campus on 19th September, 2014. The main idea behind the club was to bring together all students interested in the automotive field, to share knowledge and create awareness about the latest trends in automotive technologies. Mr. Vijay A. Deshmukh, CGM, IIC Ltd was the Chief Guest. He expressed his genuine appreciation of the goal of SAE club and spoke about the importance of these clubs. The Honorary Guest Krishna Murthy R. GM, IIC Ltd. motivated the students to take up entrepreneurship and gave vivid examples. Prof L.C. Siva Reddy, Vice Principal gave valuable advice on the hardships yet to be overcome and encouraged the students to go beyond academics. Prof. Deva Prasad addressed the gathering. ROBOTRYST WORKSHOP ON AUTOMOBILE ENGINE MECHANICS

A two day workshop on **Automobile Engine Mechanics** in association with **ROBO SAPIENS** was held on 19th & 20th September, 2014. The session started with a brief history of automobiles and its related technologies. An overview of all the systems and a lecture on aerodynamics was delivered as requested by the gathering. Engines, gears, clutch and chassis design were discussed in detail. The post lunch session comprised basics of CATIA v5 in which a complete 3D profile of piston was created. A Honda 110cc engine was completely disassembled and reassembled explaining various parts involved like the pistons, gears valves, chains, timing gear, etc. The workshop concluded with a live demonstration of the engine which was greeted with a thundering applause.The participants were students of the Department. Mr. Anand Thakur from ROBOSAPIENS Pvt. Ltd. gave a brief talk about the topics covered in the workshop. Mr. S. Rakesh, Asst. Prof of Mechanical Engineering organized the workshop along with the members of SAE Club.

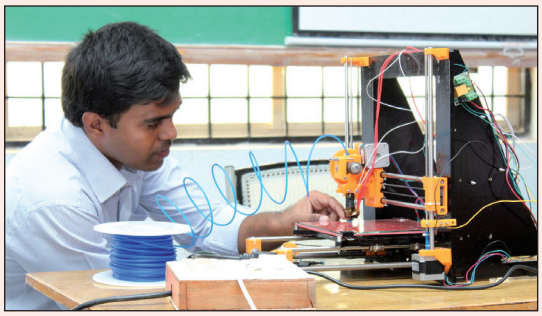
EXPERT LECTURE ON 3D PRINTING

A guest lecture on "3D Printing" by Mr. C. Somasekhar and Srinivasan Ramanan from Open Brick Systems Pvt. Ltd. was held on 21st August, 2014.

The lecture dealt with the process of making three dimensional solid objects from a digital file. The creation of a 3D printed object is achieved using additive processes in which an object is created by laying down successive layers of material until the entire object is created. Each of these layers can be seen as a thinly sliced horizontal cross-section of the eventual object. Applications of 3D printing include Design Visualization, Prototyping, CAD, Metal Casting, Architecture, Education, Geospatial, Healthcare and Entertainment, etc.

All the III and IV year students of Mechanical Engineering, along with the faculty members attended the lecture and demonstration of the 3D printing prototype machine organized by M/s Open Brick Systems Pvt. Ltd. Students actively interacted with the speaker.



3D Printing Demonstration

Speaker Addressing the Audience

Dr. Deva Prasad organized the event and Ms. Ch. Lalitha, Asst. Prof coordinated the activities. Dr. T.A. Janardhan Reddy, Head of the Department explained about the concept and technology of 3D Printing to the students.

LECTURE ON RECENT ADVANCES IN CUTTING TOOLS

An expert lecture on recent developments in Cutting Tools was organized by the Department of Mechanical Engineering on 24th September, 2014 for III and IV year students by Mr. S.K.L.N. Prasanna, Officer, Training & Communication (Technical), Guhring India Pvt. Ltd. The lecture was very informative. It focused on the current trends in the design and manufacturing of cutting tools. It also gave the students an insight into the career opportunities in the field of Cutting Tools.

Industrial Visits:

1. The students of Mechanical Engineering IV year visited **Hindustan Machine Tools,** Bala Nagar, Hyderabad, on 28th August, 2014. Two faculty members, Mr. Prem Swaroop, Assoc. Prof. and Mr. P. Srinivas Reddy, Asst. Prof. accompanied the group. The students got a real time exposure to various machine tools and their operations. The group also visited the Metrology Department, Forge and Foundry Division and Welding Shop.

III Yr ME Students Visit to HMT-HYD

2. An industrial visit to **Hindustan Machine Tools Limited (HMT), Bala Nagar, Hyderabad** was organized by the Department on 20th December, 2014 for Mechanical Engineering III year students. Around 40 members including three staff members visited the industry. The aim of this visit was to provide the students with a practical knowledge on how to manufacture machine tools. The students were given practical demonstrations on various machines like Turning Machines, Drilling & Milling Machines, Horizontal and Vertical Boring Machines, Broaching Machines, Jig Boring and many other precision machines in the machine shop. Students also visited Press Shop, Foundry, Heat Treatment and Die Casting Sections. The various components manufactured and also the making of "Horizontal Boring Machine" being supplied to BPCL – Calcutta were also shown to the students which enabled them to understand the manufacturing of machine tools explicitly. The visit proved to be very useful and was highly appreciated by the students.

Achievements of the Department

1. Mr. B. Venkat Reddy and Mr.K. Vamsi Krishna bagged the Best Project Award given by CVR College of Engineering on the eve of Graduation Day. Dr. T. A. Janardhan Reddy was the guide for the project.

2. The Department secured the highest pass percentage in I year, in both first and second semesters from among all the departments for 2013-14.

3. Mr. B. Manohar Sai Kiran secured the highest pass percentage (97.25%) among all the students of the college in I year, II semester examinations.

4. The department introduced a Term Paper for III year I semester students. The response from the students was very encouraging and the exercise was successful.

5. Based on the Washington Accord, for the first time in the state, the department introduced Team Project Lab in the syllabus, for III year students in their II semester.

Industrial Visits:

VISIT TO JEEDIMETLA EFFLUENT TREATMENT PLANT

B.Tech III Yr Civil Engineering students visited the Jeedimetla Effluent Treatment Plant, Hyderabad, on 18th October, 2014**.** The plant treats a combination of industrial effluents and domestic sewage. The visit equipped the students with a clear understanding as to how the classroom design work is carried forward for construction, operation and maintenance of treatment plants.

The students were given a classroom presentation of the treatment plant by the plant engineer, followed by a visit to the various onsite treatment facilities which included collection of Industrial Wastes, Lab Testing prior to the acceptance of waste, Equalizing Tanks, Oxygenation Tanks, Activated Sludge Process, Sludge Thickening, Centrifugation, Disposal of Sludge and Plant Effluent. Students also had a chance to visit the wastewater recycling facility which included Granular Activated Carbon (GAC) filters & Reverse Osmosis (RO) units. The recycled water is being used at the plant for irrigation and industrial uses.

DEPARTMENT OF HUMANITIES AND SCIENCE
ERUDITION OF KNOWLEDGE

Publications in National / International Conferences / Journals

1. **Dr. Vanishree Sah**, Asst. Prof of H &S Dept. published a paper on "**Employees' Readiness To Adapt ERP Systems in Small & Medium Scale Industries,"** in the GE-International Journal of Management Research, Vol 2, Issue-8, in August, 2014.

2. **V. Seetha Rama Raju**, Asst. Prof of H &S Dept. published a paper on **"Effect of Ta_2O_5 Addition on the Electrical and Magnetic Properties of Nanocrystalline MgCuZn Ferrites,"** in the Journal of Materials Research, Vol 29, Issue 18, in September, 2014.

3. **Dr. Raffiuddin**, Assoc. Prof, of H &S Dept. published paper on **"MHD Unsteady Radiating Memory Convection Flow with Variable Suction,"** in the International Journal of Science, Engineering and Technology Research, Vol 3, Issue 11, in November, 2014.

4. **Dr. G. Mallikarjun Reddy**, Asst Prof, of H&S Dept. published paper on **"Common Fixed Point Theorems for Six Self Mappings under Integral Type Contractive Condition in Fuzzy Metric Spaces,"** in the International Journal of Innovative Research in Science, Engineering and Technology, in November, 2014.

What seems to us as bitter trials are often blessings in disguise. Oscar Wilde

5. **Dr. Raffiuddin,** Assoc. Prof, of H &S Dept. published paper on **"Effects of Unsteady Free Convective MHD Flow Through Porous Medium With Variable Suction,"** in the Journal of Atti Della Fondazione Giorgio Ronchi," Volume LXIX, Issue 6, in December, 2014.

Participation in National / International / Conferences / Seminars /Workshops

1. **Dr. Linga Reddy Dubbudu, COE,** presented a paper on **"Measurement of Ultrasonic Velocity and Attenuation Coefficient on Cell density of Aspergillus Niger,"** at the National Conference on Absorption and Magnetic Resonance Spectroscopy and their Integration to Sustainable Human Development (NCAMRS-SHD-2014), organized by Dept. of Physics, Osmania University, Hyderabad, in August, 2014.

Guest Lectures Delivered by Prof. Dr Linga Reddy Dubbudu, Prof of Physics, Electronics & COE:

1. **Dr. Linga Reddy Dubbudu**, delivered a lecture on **"Digital Systems and MicroControllers,"** to the Faculty and Students of M Sc (Tech) Applied Electronics of Bhavan's New Science College, Narayanguda, Hyderabad, in November, 2014.

Seminars/ Invited Talks and Sessions Chaired by Prof. M. Krishna Reddy, Prof of Statistics, H & S Dept:

1. **Prof. M. Krishna Reddy** organized a two day seminar on **"Formulation of Research and Development Initiatives,"** for faculty members at CVR College of Engineering, on 14th &15th November, 2014.

2. **Prof. M. Krishna Reddy,** delivered an invited talk on **"The Role of Statistics in Science, Technology and Engineering,"** in the International Conference on Statistics and Information Technology for a Growing Nation, organized by Indian Statistical Institute, Calcutta and Dept. of Statistics, S.V.University, Tirupati, from 30th November- 2nd December, 2014.

3. **Prof. M. Krishna Reddy,** chaired an Invited Session A6 in the International Conference on Statistics and Information Technology for a Growing Nation organized by Indian Statistical Institute, Calcutta and Dept. of Statistics, S. V. University, Tirupati, from 30th November - 2nd December, 2014**.**

4. **Prof. M. Krishna Reddy**, chaired a Technical Session T8 on Big Data in the International Conference on Statistics and Information Technology for a Growing Nation organized by Indian Statistical Institute, Calcutta and Dept. of Statistics, S.V. University, Tirupati from 30th November - 2nd December, 2014**.**

FACULTY DEVELOPMENT PROGRAM

Mr. R. Tirumala and **Mr. Lawrence Raj Anthony,** Asst. Profs of H&S Dept. participated in the FDP **"Perspectives in Modern Teaching Techniques - Use of Case Studies and Experiential Methods,"** held at IBS Business School, Hyderabad, in September, 2014.

SEMINAR ON FORMULATION OF RESEARCH AND DEVELOPMENT INITIATIVES

A two day seminar was organized on **"Formulation of Research and Development Initiatives,"** on 14th & 15th, November, 2014. The aim of the seminar was to provide information to the faculty members on various funding schemes available for scientists and engineers.

Prof.P.Krishna Reddy Delivers a Lecture

Prof. M. Krishna Reddy, Dept. of H & S, coordinated the seminar under the guidance of Prof. K. S. Nayanathara, Principal and Prof. L. C. Siva Reddy, Vice Principal. The following were the talks delivered by different speakers.

Prof.C.Manohara Chary Delivers a Lecture

1. **Dr. P. Bhattacharjee**, Technical Director, R and QA, DRDL, spoke on the topic "Overview of DRDL, Ongoing Programme and Funding from DRDO".

2. **Prof. C. Manoharachary**, Senior Scientist and Platinum Jubilee fellow, NAS at Osmania University, Hyderabad, delivered three lectures. In the first lecture he discussed the various funding schemes from UGC, CSIR, and DST etc. Formulation of Research proposal was discussed in the second lecture. Four case studies, one each from UGC, CSIR, DST and MoEF were discussed in the third lecture.

Prof.A.Subhananda Rao Delivers a Lecture

3. **Prof. P. Krishna Reddy**, IIIT, Hyderabad, Programme Director ITRA discussed the "Research Funding Opportunities for IT Researchers at Information Technology Research Academy, Media Lab Asia, Dept. of Electronics and IT, Govt. of India".

4. **Dr. A. Subhananda Rao**, Former Chief Controller R&D (Aero), DRDO delivered a talk on "Scientific Research and Innovation," and also reviewed funding available from various schemes.

5. **Prof. C. Raghavendra Rao**, Professor, Dept. of Computer and Information Sciences, UOH, Hyderabad delivered a talk on "Selection of Need Based Research Problems."

6. **Prof. T. Ram Mohan Rao**, Dept of ME, Vasavi College of Engineering, Hyderabad discussed the topic "Entrepreneurship and Innovation Programmes."

Recommendations by the Speakers:

Prof C. Manoharachary and other speakers advised the young faculty members who wish to pursue or are pursuing Ph.D. to start with a minor research project of UGC (Southern office is located at Hyderabad). Senior faculty members could try to get major research projects from any funding source. Funding was also available for conduct of seminars /conferences /workshops, etc. Travel grants are also available for attending International conferences. ITRA recently announced the project ITRA – Agriculture and Food. Two or more institutions can apply in collaboration, for the funding.

If you judge people, you have no time to love them. Mother Teresa

PLACEMENT ROUND UP

The Placement Office performed exceptionally well in shaping students' careers and gave students diversified opportunities to begin with, on their first job in their careers. New corporate companies visited CVRCE this year. Some of them were MuSigma, Mindtree, GlobalEdge and Teradata.

The college has performed so well with regard to putting up worthy students for placements that Virtusa has considered CVR College of Engineering as a partner college to setup its PEGA Center of Excellence. Two faculty members, Suhail Afroze and Seetharam Nagesh underwent training at Virtusa for about a month on PEGA – BPM Software.

Virtusa Honors CVRCE with 3 Awards

All Season Partner College – College

- PEGA Center of Excellence
- Dynamic Placement Officer Award to Vijaya Mair – Head Placements

Dynamic Placement Award given by Sundararajan N - Global HR Head & Senior Vice President of Virtusa
